

8 February 2019

Dear Parent /Carer

Having spoken with some parents at our recent Reports Information Evening, there were some questions raised around Year 9 Options Evening on Monday, 18 March being before the Year 9 Parents' Evening on the 24 June.

The Options Evening will be attended by all teaching staff of options subjects, and therefore teachers of your son/daughter will be present on the evening. This will provide an opportunity for you to discuss your child's progress in their subjects and make informed choices about the options they will be taking forward in Year 10.

Following the evening, if you still have any specific questions that were not answered at the Options Evening, then please contact me via email and I will ensure that this additional information can be provided.

Yours sincerely

Steve Murray
Phase Leader for Key Stage 3
