

# The Market Place

## Telephone Support Service

We are still here supporting young people. Due to Covid-19 guidance we are not offering any face to face services at the moment. However, our telephone support service for **11-25 year olds in Leeds** is available **12-6pm every day of the week!**

We are offering 30 mins support for young people to talk about any issue that may be affecting them.

**We currently have two ways for young people to access support.**

- **Book a telephone support slot one day in advance**  
Go to the homepage of our website to find the link to our booking form as well as our phone support and privacy agreement.
- **Same day telephone support slots.**  
Access these appointments by telephoning us on **0113 246 1659**, between **11.30am and 5pm**. If there are appointments available you will be given a time when a worker will call you.

Check out our website for more information about the telephone support service and find out about the other services The Market Place normally offers.
