Sixth Form Course Prospectus for 2021 entry

Dear parents and carers,

We are very excited to present our Sixth Form Prospectus online this year. The link to the prospectus will go live today showcasing the subjects we offer in the Sixth Form. Each subject has a related video so that you can "meet" the teaching staff and hear about the content of the course. Each video is also accompanied by information on the grades required.

Your son/daughter has been introduced to this today and has experienced how to access the prospectus. It is very user friendly with any device so please have a look around. You will find the link on the school website but here it is as well:

<https://tmhs.co.uk/post-16/virtual-post-16-open-day/>

The application process has started for the Sixth Form and in January, guidance meetings will commence for all Year 11 students to have the opportunity to discuss their chosen pathway whether that is this Sixth Form or another provider, including colleges.

If you have any questions, please contact Mrs Pearson in the Sixth Form by email: pearsons@tmhs.rklt.co.uk or by telephone on 3900776.

Yours

Mrs Pearson
Pastoral Leader for Post 16
