

Wednesday, 17 March 2021

Dear Parent/Carer

I am writing to inform you that we will be extending the school day for Y11 until 3.30 pm from Monday, 22 March. This is to provide students with extra support sessions while they are working towards their GCSE assessments.

This will be organised identically to the run up to the PPE exams last term and students will attend a different subject each night. The sessions will begin at 2.35pm and will replace what has been the students' form time.

I will be doing a video assembly for Y11 this week which I will also post on Class Charts so you can view it. In this I will also repeat the message from the return to school video I posted on Friday, 5 March.

Students are in a position where they have everything to work for from this point.

The school will support them through the whole process over the next couple of months, but we need students to attend with the correct attitude and have an understanding that what they can achieve is within their control.

This time of year is always intense for Y11 students and the current circumstances will have added an extra layer to this. However, the students have a short period where they need to be resilient and focused and grab this opportunity to ensure they do everything they can to help themselves.

If you do have any questions or concerns over the coming weeks, then do not hesitate to contact me using the email address below and I will endeavour to do my best to resolve these with you.

Yours sincerely

Mrs Helen Britton  
Assistant Principal (Attendance and KS4 Phase Leader).
