

30 November 2021

Dear Parents and Carers

In line with the latest Government guidance we will be providing on-site LFD testing of all students when they return following the Christmas break. Students will only be tested once and will be able to return to school following a negative result. After their in-school test, we request that all students test at home twice weekly. Home test kits will be handed out to students.

We require consent from parents to test your child(ren), this will allow for us to plan and order the correct number of testing kits. We therefore request that all consent is confirmed by no later than **5.00 pm Friday, 10 December**. This will then give staff enough time to register kits and confirm appointment times prior to the holidays. Please click [HERE](#) to complete the consent form.

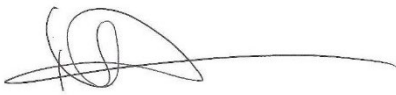

We want to encourage as many students as possible to be tested so that we can find any asymptomatic cases before students return to school.

We will confirm your child's test date and time during week commencing 13 December. As before, students can attend their test in non-uniform and will return home after their test. Students will then attend school the following day after a negative test result. Testing will be in the Main Hall and students will enter and exit via main reception.

A polite reminder that LFD testing is for asymptomatic testing, if your child has any symptoms of COVID-19 then a PCR test must be taken.

Thank you for your continued co-operation.

Yours faithfully
